

DESCRIPTION OF MINISTRY

WCG (Women of the Church of God): Help us as women to grow spiritually in our walk with the Lord and in fellowship with our sisters. We alternate Bible devotions with craft or special activities the 2nd Tuesday of every month. Contact for WCG and other ministries listed below: Elaine Richardson

Penny-A-Day: Be a part of this ministry for only a penny a day and a prayer a day for our missionaries. Monies collected goes to missions.

Christmas in July: A time you can focus on the Spirit of Christmas at another time through out the year.

Linen Chest: Monies received through this ministry help provide our missionaries with linens while in the field, magazine subscriptions, a washing machine, and wardrobe when they return to the states.

Women in Crisis: A program for women in Southern California that are in financial need. A Church of God pastor presents information for review before a committee that a woman might have some of her monetary needs met. It's all about helping our sisters.

Hands Across the Border: Would you like to help meet the needs of our brothers and sisters in Baja, Mexico? This program is set up for that purpose. There is also a trust fund of the same name set up with Samaritans that holds the money until a particular need is met.

Spiritual Birthday: Do you remember when you were born into the Christian family? This is a way for each of us to help remember and celebrate that time by giving financially to the WCG.

Helping Hands: Are you led to help a member with in the Clairemont Church of God? A financial need program for members of the congregation to request financial assistance one time a year.

Samaritans International: An outreach to expand God's kingdom, develop in our participants a deeper, fuller commitment to Jesus Christ, and challenge people to answer God's call to faithful service and ministry. Be prepared to allow God to transform you as you serve others in need by becoming involved in a work camp venture! Contact: Darold Jones

WHY DOES THIS MINISTRY EXIST?

To extend the gospel of Jesus Christ, promote spiritual and personal growth, build friendships and interdependence, enlarge the beliefs of the stewardship of all life, embrace the beliefs and support the united ministries of the Church of God through gifts of finance and friendship.
