

Clairemont Connection

MAY 2011

Mothers are Special!

The Clairemont Church will be honoring mothers Sunday, May 8, with a special gift. We hope to see all our children sitting with pride by their moms this Sunday at 10:00am. Show your mom how special she is to you by treating her with honor. We hope you take this opportunity on this Mother's Day to shower your mom with your attention. Maybe you start her day with breakfast in bed, or bring her a flower, a handmade card, hug coupons, or do an act of kindness for her. The ways to make her feel special are endless and any one of them will mean the world to her. If we counted all the different things our moms do for us all year long, taking this day to spoil her seems like the very least we can do. How will you show your mom you care this year? Make it a Mother's Day she will remember forever! And dads can get in on making this day special for mom too! Dinner out maybe? God made moms special and children are instructed to honor their parents. Take time to honor your mom on Mother's Day, May 8!

- May 12 Prime Timers
- May 14 Women of the Well
- May 30 Memorial Day

Angel Food Ministries

- May 22 Orders Due
- May 28 Pickup Orders

Women of the Well

The new ladies ministry got off to a great start last month. Ladies attended of all ages and ate together. Janet gave a short devotion and explained the vision for this ministry. We want to say a warm "thank you" to Pete James, Ted Slawter, and Jim Werdowatz for providing the delicious breakfast for our very first meeting. It was a special treat! We are looking forward to our next meeting and hope you will join us on May 14, at 9:00am in the Fireside Room. *Blessings!*
